10<sup>th</sup> January 2019

Dear Parents

Welcome back and Happy New Year!

This term our topic is “all about me.”

The children will be naming the parts of the body, learning about the skeleton, the organs, muscles and digestive system. We will be performing experiments and thinking scientifically.

For computing the children will be accessing the internet for research purposes and learning about internet safety. They will learn how to copy and paste pictures and texts. They will also be using age appropriate programmes for science, maths and other areas of the curriculum.

In art we will be painting, looking at art work by Picasso, collage and junk modelling.

PE will be on Monday afternoons. This half term we will be mostly inside focusing on dance and gymnastics. We also run most days, so please make sure your child has a pair of trainers (with Velcro fastening) and a tracksuit. Please also label their PE kit as we have lots that go missing.

We appreciate your continued support in hearing your child read every night and recording this in their reading diary.

Homework will be set on Friday and will usually consist of spelling exercises and phonics. Any homework that needs to be handed in should be done so by Tuesday.

Please come and see us after school if you have any questions or concerns.

Yours sincerely

**Mrs Mitchell**  
**Class 1 Teacher**

**Mrs Turner**  
**HLTA**
